

# COVID-19 SYMPTOM AGREEMENT

For the health and safety of all students and staff it is imperative that families monitor their students for COVID-19 symptoms prior to sending your student(s) to school.

**Every day** before school, please review this information.

## **In the past 24 hours, has your child had:**

- a temperature of 100.0° Fahrenheit or higher, chills or shaking chills
- difficulty breathing or shortness of breath\*
- a cough\*
- a sore throat\*
- nausea, vomiting, or diarrhea
- muscle aches or body aches
- new loss of taste or smell
- fatigue, when in combination with other symptoms
- a headache, when in combination with other symptoms
- nasal congestion or runny nose\*
- Had “close contact” (defined as living in the same household or being within 6 feet for at least 15 minutes, even if masked) with someone who has tested positive for COVID-19 while that person was infectious. The infectious period is considered to be 2 days before symptom onset or 2 days before collection of a positive test.

*\* Please contact the school nurse if there are known causes such as asthma, chronic cough or allergies.*

By sending your child to school each day, you are attesting to having answered ‘no’ to each question or to having had a conversation with the school nurse who has given clearance for the child to attend that day. If you are unable to answer no to each question, please contact the school nurse for guidance.

**Please review this weekly.**
